Ceremony and Recessional

Presentation of Graduates and Awarding of Degrees

Dr. Deidre Price, senior vice president for academic affairs/college provost, will present the graduates. All graduates will stand in unison and remain standing until Montgomery College President Jermaine F. Williams confers the degrees and Dr. Michael Brintnall, chair of the Board of Trustees, awards the diplomas. Then all graduates will be seated.

To ensure a timely flow of graduates, an usher will signal to the graduates when they should stand and file out to receive their diploma covers and assist them on their return to their seat.

Receiving Your Diploma Cover

Those graduates sitting at the outside ends of each aisle should remain especially alert and watch for the usher's signals.

When proceeding toward the stage to receive your diploma cover, give the card bearing your name to the reader at the stage. As you proceed across the stage, pause briefly for a photo with Dr. Williams and Board Chair Brintnall, then receive a diploma cover from a trustee or dean. After you receive your diploma cover, follow the usher's instructions to a second photo area where you will pose with it. Once the second photo is taken, please return to your seat.

Be sure to attend the May 14 commencement rehearsal at 2 p.m., where these procedures will be reviewed.

Indoor Viewing

Indoor viewing areas of the commencement ceremony are available in the Robert E. Parilla Performing Arts Center, Theatre Arts Building, and the Physical Education Center small gym, room 137, for guests who wish to avoid the crowds, heat, sun, etc. These areas are air conditioned and are recommended for elderly guests and guests with small children.

Recessional

The recessional follows the induction of graduates into the Alumni Association. Graduates will exit in pairs down the center aisle (one from the left, one from the right—watch for the usher's signals) in the following order:

- Platform guests (those seated on the stage)
- Administrators, faculty, and staff
- Deans of student affairs (in pairs)
- Graduates

Following commencement and after certifications have been completed in the summer, you will receive correspondence regarding when you will receive your diploma.
