A MESSAGE TO THE CLASS OF 2025

DR. JERMAINE F. WILLIAMS
President of Montgomery College

What a tremendous achievement—congratulations!

Today marks an extraordinary milestone in your life, and I am honored to celebrate with you—an esteemed graduate of Montgomery College.

Whether you have balanced classes with work, cared for loved ones, or adapted to a new language and culture, you have shown remarkable strength and resilience.

With more than 3,300 students representing every corner of Montgomery County and dozens of countries around the globe, this class embodies the transformative power of ambition, tenacity, and hope. Some of you are continuing your academic journeys at four-year institutions. Others are entering the workforce, beginning apprenticeships, or celebrating the completion of a long-sought credential. For some, the next step is a combination of endeavors. Wherever your path leads, it is sure to bring growth, purpose, and opportunity.

As you celebrate today, take pride in how far you have come and pause to thank those who helped you accomplish this goal. Behind every graduate is a network of support, including faculty and staff who stimulated and inspired you, family members and caregivers who encouraged you, and friends who believed in your potential. Your celebration is their celebration, too.

You are the heartbeat of Montgomery College's mission. It has been a privilege to walk alongside you on this journey. On behalf of Montgomery College's Board of Trustees, faculty, staff, and alumni, I extend our warmest congratulations. We are so proud of you—and cannot wait to see how you will change the world.

All my best,

A handwritten signature in cursive script that reads "Jermaine F. Williams". The signature is written in dark ink on a light background.

Jermaine F. Williams, Ed.D.

HONORS AND AWARDS

Board of Trustees Academic Excellence Award

The 2025 Board of Trustees Academic Excellence Award is bestowed upon Ms. Maria E. Delgadillo Mena for Liberal Arts and Education; Mr. Aditya Raj Binjariya for Science, Technology, Engineering, and Mathematics and Health Sciences; Mr. Alexis Orihuela Mencia for Workforce Development and Continuing Education; and Ms. Vanessa Posse-Mir for the Apprenticeship Academic Excellence Award for Workforce Development and Continuing Education, by Ms. Gloria Aparicio Blackwell, chair, Montgomery College Board of Trustees.

To be considered for nomination for a Board of Trustees Academic Excellence Award, students must be eligible for spring commencement by having earned an associate's degree or by having in progress final requirements for an associate's degree; must have taken at least 25 of the required credit hours at Montgomery College; and must have maintained a cumulative grade point average of 4.0 on all courses at the College. Students will receive a cash award to be applied to future tuition or educational purposes of their choice.

The Board of Trustees also recognizes outstanding runners-up for the 2025 Board of Trustees Academic Excellence Award: Mr. Jonathan J. Gavel for Liberal Arts and Education; Ms. Meena Niazi for Science, Technology, Engineering, and Mathematics and Health Sciences; Ms. Sarah S. Becerra for Workforce Development and Continuing Education; and Mr. Edwin E. Romero for the Apprenticeship Academic Excellence Award for Workforce Development and Continuing Education. Each runner-up will receive a cash award to be applied to future tuition or educational purposes.

Presidential Academic Excellence Award

The 2025 Presidential Academic Excellence Award is bestowed upon Ms. Madeleine Soenens, Germantown Campus; Ms. Eman Saqib, Rockville Campus; Ms. Grace N. Kigo, Takoma Park/Silver Spring Campus; and Mr. Sahil Kharel, East County Education Center.

Students nominated for the Presidential Academic Excellence Award must exhibit evidence of outstanding scholarship in the form of a 3.5 grade point average or above at the time of nomination. The nominee must also show evidence of outstanding leadership in the College and/or in the community, evidence of outstanding service to the College and/or in the community, and matriculation in a curriculum and completion of at least 28 semester hours of credit earned at Montgomery College. The scholars will receive cash awards to be applied to future tuition or educational purposes of their choice.

HONORS AND AWARDS

Honors Program

The honors program distinction is given to students who graduate in one of the Montgomery College honors programs—Macklin Scholars, Montgomery Scholars, Renaissance Scholars, or the Collegewide Honors Program—with at least 15 honors credits in at least three different disciplines and a cumulative grade point average of at least 3.4.

Graduating with Honors

Students earn the honors distinction by graduating with at least a 3.4 grade point average in any Montgomery College curriculum.

Phi Theta Kappa

Phi Theta Kappa is the national honor society for students at two-year colleges. To be considered for election to Phi Theta Kappa, a student must have a cumulative grade point average of at least 3.5 for at least 15 credit hours of course work at Montgomery College and be enrolled in a degree program or transfer curriculum. A cumulative grade point average of 3.4 must be maintained to retain membership. Election to Phi Theta Kappa represents one of the highest honors that can be bestowed upon a student at Montgomery College.

Gamma Theta Upsilon

Gamma Theta Upsilon (GTU), the international honor society in geography, was founded in 1928 and became a national organization in 1931. The purpose of this organization is to encourage professional interest in geography; to strengthen student and professional training through academic experiences; to stimulate research; to award scholarships for students pursuing geography as a major at the undergraduate and graduate levels; and to advance the status of geography as a cultural, physical, and applied discipline. Members have met academic requirements and share a common interest in the geographic field of study. The majority of these members are applied geography, cartography, geographic information systems, and geographic education majors.

In 1993, the applied geography program at Montgomery College's Rockville Campus became the first two-year program to be awarded a chapter of GTU, Theta Eta. The members of Theta Eta volunteer throughout the academic year for various activities. Some of the activities include performing community service; participating at national and international conferences; engaging in city, county, state, and federal government projects, as well as private industry; conducting fundraisers; and hosting special events and activities. GTU is proud to be celebrating 32 years of scholarly achievements at Montgomery College.

2025 ACADEMIC EXCELLENCE AWARD HONOREES

BOARD OF TRUSTEES ACADEMIC EXCELLENCE AWARD *Liberal Arts and Education*

MS. MARIA E. DELGADILLO MENA
STUDENT SPEAKER

MS. MARIA E. DELGADILLO MENA, a general studies (social sciences, administration, and health) major and member of Phi Theta Kappa, is graduating with a 3.83 grade point average.

A native of El Salvador, she came to the United States in 2022 and earned a GED before enrolling at Montgomery College.

She was a member of the Southern Maryland Leadership Program, leading to an internship with SERVPRO of Rockville, where she worked with the marketing team for two semesters. She participated in the Social Justice Inclusive Leadership Institute and the Digital Storytelling Internship at the Paul Peck Humanities Institute.

She earned the English and Reading Award at the Takoma Park/Silver Spring Campus. She presented her creative writing at the Cherry Blossom Conference.

She recently was accepted at the University of Maryland, where she is a finalist for the Frederick Douglas Merit Scholarship. She will study psychology. Her goal is to be a school counselor, helping students achieve their academic goals and advocating for mental health.

2025 ACADEMIC EXCELLENCE AWARD HONOREES

BOARD OF TRUSTEES ACADEMIC EXCELLENCE AWARD

Science, Technology, Engineering, and Mathematics and Health Sciences

MR. ADITYA RAJ BINJARIYA

MR. ADITYA RAJ BINJARIYA, a computer science major and member of Phi Theta Kappa, is graduating with a 3.93 grade point average. Born and raised in Jodphur, India, he came to the United States as an international student in 2023.

He is a member of the Renaissance Scholars and STEM Scholars honors programs. The Maryland Collegiate Honors Council awarded him best abstract as a presenter this spring.

He earned the Rita Kranidis Global Humanities Scholarship. He also received a Paul Peck Humanities Institute Scholarship and a Webber Family Foundation Humanities Fund Grant supporting his coursework and research at the Library of Congress and the National Institutes of Health last summer.

As a member of the MC LEADS program, he led an initiative to establish a much-needed medical clinic on each campus. Outside the classroom, he volunteered at the Interfaith Clothing Center and Interfaith Food Pantry.

He will transfer to a four-year institution to complete a bachelor's degree in computer science. He hopes to apply his computational skills to solve real-world problems.

2025 ACADEMIC EXCELLENCE AWARD HONOREES

BOARD OF TRUSTEES ACADEMIC EXCELLENCE AWARD *Workforce Development and Continuing Education*

MR. ALEXIS ORIHUELA MENCIA STUDENT SPEAKER

MR. ALEXIS ORIHUELA MENCIA, an architectural technology major and member of Phi Theta Kappa, is graduating with a 4.0 grade point average.

After graduating from Walter Johnson High School, he was uncertain of his career path. He enrolled at Montgomery College—and after the first semester, he chose to study architectural technology. He believes being part of this program has been one of the most enriching experiences of his life. He was named to the Dean's List every semester he attended MC.

He earned the AIA Potomac Valley Architecture Foundation Scholarship and the Student Academic Excellence Award. He enjoyed participating in architectural design competitions, including MICROHOME and the Museum of Emotions.

After completing his degree in December 2024, he transferred to the bachelor's degree program in architecture at University of Maryland, which is a competitive and accelerated path to earning a master's degree and licensure. This summer he will study abroad in Japan, where the curriculum will focus on urbanization, planning, and history research.

2025 ACADEMIC EXCELLENCE AWARD HONOREES

BOARD OF TRUSTEES APPRENTICESHIP ACADEMIC EXCELLENCE AWARD *Workforce Development and Continuing Education*

MS. VANESSA POSSE-MIR

MS. VANESSA POSSE-MIR is completing a two-year apprenticeship program as an automotive technician. She is enrolled in the Washington Area New Automobile Dealers Association apprentice-related instruction program. A three-year employee of Fitzgerald Mazda in Frederick, Maryland, she began performing basic maintenance—tires, lights, and wiper blades. She currently works as a certified Mazda technician.

A self-described problem solver, she prides herself not only on completing complex diagnostics quickly and efficiently but also on assisting coworkers, family, and friends with maintenance and troubleshooting issues. She believes quality work at an honest price is essential—and believes her mechanical expertise and fairmindedness will ensure trust with clients.

As a junior in high school, she enrolled in the Frederick County Public Schools Career and Technology Center. She owns a 1994 Mazda Miata project car, which she enjoys working on in her spare time. She is also an avid reader.

Ms. Posse-Mir lives in Urbana, Maryland, with her parents. She wants to earn Mazda master senior technician certification—and someday open her own automotive shop.

2025 ACADEMIC EXCELLENCE AWARD HONOREES

BOARD OF TRUSTEES ACADEMIC EXCELLENCE AWARD *Liberal Arts and Education* OUTSTANDING RUNNER-UP

MR. JONATHAN J. GAVEL

MR. JONATHAN J. GAVEL, a general studies (STEM) major and member of Phi Theta Kappa, is graduating with a 3.85 grade point average. He has served as a student tutor in the Student Learning Center at the Germantown Campus.

As someone who has endured many health challenges throughout his life, Mr. Gavel characterizes his academic journey as nontraditional. When he was able to attend in-person classes in high school, he participated in the College's Dual Enrollment program.

During this time, he began volunteering at the Damascus Volunteer Fire Department and became an emergency medical technician (EMT) when he was 17. He wants to pursue a career in health care, particularly as a pediatric nurse.

He believes his setbacks—and his ability to overcome them—make him uniquely qualified to inspire young patients. He is applying to bachelor's programs in nursing, and ultimately hopes to earn a doctor of nursing practice.

He enjoys cooking and how food can bring together people from different cultures. He wants to travel the world and experience other cultures—and cuisines.

2025 ACADEMIC EXCELLENCE AWARD HONOREES

BOARD OF TRUSTEES ACADEMIC EXCELLENCE AWARD

Science, Technology, Engineering and Mathematics and Health Sciences

OUTSTANDING RUNNER-UP

MS. MEENA NIAZI

MS. MEENA NIAZI, a general studies (STEM) major and member of Phi Theta Kappa, is graduating with a 3.87 grade point average (GPA).

A member of the Renaissance Scholars honors program, she presented twice at the annual Beacon Conference—and one of her papers won the Outstanding Presentation award. She earned the Dr. Harry Harden Jr. Award and was named to the Dean's List five consecutive semesters.

She transferred to the University of Maryland biological sciences program at the Universities at Shady Grove. Specializing in physiology and neurobiology, she earned a 4.0 GPA her first semester and was inducted to Tau Sigma National Honor Society as a board member.

She works as a research fellow at the National Institutes of Health and at Nvolve, a nonprofit organization hiring undergraduate women in STEM, where she receives leadership training and mentorship from industry professionals, and collaborates with fellow scholars on STEM projects.

She is the first woman in her family to attend college. She plans to attend graduate school and pursue a career in the health care industry.

OUTSTANDING RUNNER-UP

MS. SARAH S. BECERRA

MS. SARAH S. BECERRA, an architectural technology major, is graduating with a 3.85 grade point average. Born in Venezuela, she came to the United States when she was 14 years old.

She took two Montgomery College classes while she was a student at Clarksburg High School, but after graduating in 2018 her education was interrupted by financial hardship and the pandemic. Since she re-enrolled in 2022—she has been on the Dean's List every semester. She earned a letter of recognition in sustainability while completing her studies.

She received the AIA Potomac Valley Architecture Foundation Scholarship. A part-time student, she has worked 30 to 40 hours a week as an assistant project manager at O'Leary Asphalt in Ijamsville, Maryland. She plans, coordinates, and oversees construction projects from start to finish.

She will transfer to the University of Maryland to pursue a bachelor's degree in architecture. Her long-term plans include earning a master's degree in architecture and exploring urban design as a potential field of focus.

BOARD OF TRUSTEES APPRENTICESHIP ACADEMIC EXCELLENCE AWARD *Workforce Development and Continuing Education* OUTSTANDING RUNNER-UP

MR. EDWIN E. ROMERO

MR. EDWIN E. ROMERO is completing a two-year apprenticeship program as an automotive technician. He is enrolled in the Washington Area New Automobile Dealers Association apprentice-related instruction program. A six-year employee of DARCARS Volvo Cars in Rockville, he currently works as an intermediate automotive technician.

He has been fascinated with working on cars since he was little. He loves tearing down engines and rebuilding them. He strives to learn everything he can about the most up-to-date and innovative techniques used in automotive repair, especially regarding electric vehicles. As the first in his family to attend college, he has received a tremendous amount of support and praise from his parents.

Mr. Romero lives with his girlfriend, Michelle, and their 21-month-old daughter, Sophia, in Rockville. He attended John F. Kennedy High School in Silver Spring. He wants to pursue a master technician certification—and someday open his own automotive shops in Maryland and in his parents' home country of El Salvador.

ACADEMIC TRADITIONS AND SYMBOLS

Academic Regalia

The academic procession in modern university life embodies a relic of medievalism. The somber gowns and colorful hoods are not unlike those worn by scholars and churchmen perhaps as early as the 12th century. The garb in those times had an element of utility. The robes were warm; the hoods could be drawn up to protect against drafts in unheated buildings.

Traditionally, the hood's silken lining has been in the color of the wearer's university. The color of the bordering velvet indicates the special area of study. White velvet represents arts, letters, and humanities; dark blue, philosophy; light blue, education; purple, law; dark green, medicine; apricot, nursing; lilac, dentistry; olive, pharmacy; pink, music; orange, engineering; citron, social work. Tassels on the "mortarboards," or caps, of the candidates for degrees correspond in color to the velvet borders of the hoods.

Gowns representing the master's and doctor's degrees vary in style. The master's gown has long, narrow closed sleeves, which extend below the knees. The doctor's gown has full bell-shaped sleeves with three bars of velvet and a front opening faced with wide velvet bands in either black or the color indicating the area of study.

There is no general rule for the position of the tassel on a mortarboard. However, it has become customary for candidates for degrees to wear the tassels on the right side before the degrees are conferred and to shift them to the left at the moment the degrees are awarded to them.

Montgomery College Mace

The mace is the official symbol of the College's power and authority. The Montgomery College Full-Time Faculty of the Year Award winner earns the honor of bearer of the mace. Dr. Angela K. Nissing, professor of English Language for Academic Purposes, will carry the mace in this year's commencement procession.

The fluted mahogany staff is adorned with antique silver-colored rings with engravings honoring past Montgomery College presidents. The base of the 42½-inch mace is fitted with antique silver to match the rings. The mace is capped by two black marble disks encasing antique silver panels that form an octagon. The panels are engraved with the names of the Montgomery College campuses. The finial is composed of a 3½-inch antique silver-plated medallion embossed with the College's seal, which is mounted on a diagonal mahogany surround.

The previous mace was designed by George Hatzenbuehler, an art student on the Rockville Campus in 1976. The original Montgomery College mace was designed and executed by professors emerita M. Gloria Monteiro and the late Dr. LaVerne W. Miller in commemoration of the 25th anniversary of the College.

ALUMNI ASSOCIATION INDUCTION

The Induction Pledge

I am a graduate of Montgomery College.

I have achieved my goal of graduation through my own hard work and dedication, and with the support of my family, friends, and faculty.

As a graduate, I am now a member of the Montgomery College Alumni Association. In this capacity, I have earned the privilege of a mutually beneficial and lasting relationship with the College and its community.

Today, I move forward to embrace new opportunities and to meet the challenges that lie ahead. But as I do, I also recognize that my Montgomery College experience will remain forever an important part of my life.

The opportunity of a Montgomery College education confers upon me a responsibility to help ensure the continued strength of this great institution. I will not forget this responsibility.

I am a graduate of Montgomery College.

Montgomery College Board of Trustees
(as of May 23, 2025)

Ms. Gloria Aparicio Blackwell, *Chair*
Ms. Annice Cody, *First Vice Chair*
Mr. Omar A. Lazo, *Second Vice Chair*
