A MESSAGE TO THE CLASS OF 2026

DR. JERMAINE F. WILLIAMS
President of Montgomery College

Congratulations to the graduates of Montgomery College.

Today is a celebration of your hard work, your resilience, and the many ways you continued forward to reach this milestone. Each of you arrived at this moment through your own unique journey—balancing responsibilities, overcoming challenges, and pursuing goals that will shape your future and the future of others.

As you celebrate today, I encourage you to take time to recognize those who supported you along the way. Families, friends, faculty, staff, mentors, and classmates all helped make this achievement possible. This accomplishment reflects both your determination and the community that stood beside you.

Your Montgomery College experience has prepared you for what comes next—whether that means continuing your education, beginning a new career, serving your community, or exploring new opportunities still ahead. Wherever your path leads, carry forward the adaptability, curiosity, and sense of belonging that helped you succeed here.

On behalf of the Board of Trustees, faculty, staff, and the entire Montgomery College community, thank you for allowing us to be part of your journey. I am confident that you will continue to discover new passions and unlock new potential as you transform lives, enrich the community, and change the world.

Congratulations, Class of 2026.

All my best,

A handwritten signature in black ink that reads "Jermaine F. Williams". The signature is fluid and cursive.

Jermaine F. Williams, Ed.D.

MONTGOMERY COLLEGE HONORS AND AWARDS

BOARD OF TRUSTEES ACADEMIC EXCELLENCE AWARD

The 2026 Board of Trustees Academic Excellence Award is bestowed upon Ms. Dalia Villeda De Garcia for Liberal Arts and Education; Ms. Arsemawit Mulugeta Debassu for Science, Technology, Engineering, Mathematics (STEM) and Health Sciences; Ms. Frances Vallejos for Business and Hospitality Management; Ms. Lauren Lamken for Applied Technologies and the Gudelsky Institute for Technical Education; and Mr. Tanner Berhalter for the Apprenticeship Academic Excellence Award, by Ms. Gloria Aparicio Blackwell, chair, Montgomery College Board of Trustees.

To be considered for nomination for a Board of Trustees Academic Excellence Award, students must be eligible for spring commencement by having earned an associate's degree or by having in progress final requirements for an associate's degree; must have taken at least 25 of the required credit hours at Montgomery College; and must have maintained a cumulative grade point average of 4.0 on all courses at the College. Students will receive a cash award to be applied to future tuition or educational purposes of their choice.

The Board of Trustees also recognizes outstanding runners-up for the 2026 Board of Trustees Academic Excellence Award: Ms. Katelyn Washington for Liberal Arts and Education; Ms. Danh Hong Phuc Nguyen for Science, Technology, Engineering, Mathematics (STEM) and Health Sciences; Ms. Jessica Birch for Business and Hospitality Management; and Ms. Anita Smith for the Apprenticeship Academic Excellence Award. Each runner-up will receive a cash award to be applied to future tuition or educational purposes.

MONTGOMERY COLLEGE HONORS AND AWARDS

PRESIDENTIAL ACADEMIC EXCELLENCE AWARD

The 2026 Presidential Academic Excellence Award is bestowed upon Ms. Alicia “Aly” Vaca for Liberal Arts and Education; Mr. Michael Desir for Science, Technology, Engineering, Mathematics (STEM) and Health Sciences; Ms. Kenia Yamileth Ramirez for Business and Hospitality Management; Ms. Karol Cachope Baron for Applied Technologies and the Gudelsky Institute for Technical Education; and Mr. Rene Soto Flores for the Apprenticeship Academic Excellence Award for Industry Credential.

Students nominated for the Presidential Academic Excellence Award must exhibit evidence of outstanding scholarship in the form of a 3.5 grade point average or above at the time of nomination. The nominee must also show evidence of outstanding leadership in the College and/or in the community, evidence of outstanding service to the College and/or in the community, and matriculation in a curriculum and completion of at least 28 semester hours of credit earned at Montgomery College. The scholars will receive cash awards to be applied to future tuition or educational purposes of their choice.

Montgomery College also recognizes outstanding runners-up for the 2026 Presidential Academic Excellence Award: Ms. Mahnoor Asif for Liberal Arts and Education; Mr. Muhammad Benjelloun for Science, Technology, Engineering, Mathematics (STEM) and Health Sciences; and Ms. Sthefania Ugaz for Business and Hospitality Management. Each runner-up will receive a cash award to be applied to future tuition or educational purposes.

HONORS PROGRAM

The honors program distinction is given to students who graduate in one of the Montgomery College honors programs—Macklin Scholars, Montgomery Scholars, Renaissance Scholars, or the Collegewide Honors Program—with at least 15 honors credits in at least three different disciplines and a cumulative grade point average of at least 3.4.

MONTGOMERY COLLEGE HONORS AND AWARDS

GRADUATING WITH HONORS

Students earn the honors distinction by graduating with at least a 3.4 grade point average in any Montgomery College curriculum.

PHI THETA KAPPA

Phi Theta Kappa is the national honor society for students at two-year colleges. To be considered for election to Phi Theta Kappa, a student must have a cumulative grade point average of at least 3.5 for at least 15 credit hours of course work at Montgomery College and be enrolled in a degree program or transfer curriculum. A cumulative grade point average of 3.4 must be maintained to retain membership. Election to Phi Theta Kappa represents one of the highest honors that can be bestowed upon a student at Montgomery College.

GAMMA THETA UPSILON

Gamma Theta Upsilon (GTU), the international honor society in geography, was founded in 1928 and became a national organization in 1931. The purpose of this organization is to encourage professional interest in geography; to strengthen student and professional training through academic experiences; to stimulate research; to award scholarships for students pursuing geography as a major at the undergraduate and graduate levels; and to advance the status of geography as a cultural, physical, and applied discipline. Members have met academic requirements and share a common interest in the geographic field of study. The majority of these members are applied geography, cartography, geographic information systems, and geographic education majors.

In 1993, the applied geography program at Montgomery College's Rockville Campus became the first two-year program to be awarded a chapter of GTU, Theta Eta. The members of Theta Eta volunteer throughout the academic year for various activities. Some of the activities include performing community service; participating at national and international conferences; engaging in city, county, state, and federal government projects, as well as private industry; conducting fundraisers; and hosting special events and activities. GTU is proud to be celebrating 33 years of scholarly achievements at Montgomery College.

MS. DALIA VILLEDA DE GARCIA
Student Speaker

MS. DALIA VILLEDA DE GARCIA is graduating with an associate of arts in secondary education with a focus in Spanish. A bilingual educator, ministry leader, and community advocate, Dalia brings a lifetime of service to her degree.

Originally from Guatemala, where she worked as an English teacher and assistant prosecutor, she has spent decades building bridges across language and culture in the Washington, D.C., metropolitan area. As Hispanic ministry director at Christian Life Center in Ijamsville, she leads a group of approximately 80 Hispanic congregants, provides simultaneous interpretation during services, and coordinates translation of all ministry materials.

She has also volunteered extensively in Montgomery County public schools and spent ten years providing English-Spanish interpretation for Equipment Connections for Children, ensuring Spanish-speaking families had equitable access to adaptive equipment.

Dalia's academic journey reflects a profound, enduring commitment to education, service, and community empowerment.

MS. ARSEMAWIT MULUGETA DEBASSU
Student Speaker

MS. ARSEMAWIT MULUGETA DEBASSU is graduating with an associate of science in chemical engineering and a flawless 4.0 GPA, earning Dean's List honors every semester. She received the Excellence in Organic Chemistry Award and the Frank L. Verwiebe Excellence in Physics Award.

A Phi Theta Kappa member and winner of Ethiopia's National Chemistry Competition, Arsemawit brings both exceptional academic discipline and a deep commitment to service.

Fluent in English and Amharic, she volunteers as a chemistry tutor for high school students in Hyattsville and continues to lead a fundraising initiative providing sanitary products to women in rural Ethiopia—an effort she founded to directly improve health, dignity, and school attendance for young women.

Arsemawit's journey from Bahir Dar to Montgomery College reflects resilience, purpose, and an unwavering belief that education is a tool for transforming communities.

MS. FRANCES VALLEJOS

MS. FRANCES VALLEJOS is graduating with an associate of arts in business and a perfect 4.0 GPA. A Dean's List honoree, Phi Theta Kappa and Alpha Beta Gamma member, and Raptor Tank finalist, Frances brings entrepreneurial vision and servant leadership to everything she pursues.

Through the Southern Management Leadership Program, she has deepened her commitment to inclusive, empowering leadership, which she applies in her roles as a lead server at Kusshi Sushi and as a marketing intern at BlackRock Center for the Arts. Her ongoing entrepreneurial venture, Eternal Bloom, is an online marketplace supporting international artisans who create handmade, eco-friendly flowers.

Frances also leads the Student Activities Board's Supplies Committee and volunteers with environmental and community service initiatives. A native speaker of both English and Tagalog, she exemplifies Montgomery College's tradition of academic excellence and community engagement.

BOARD OF TRUSTEES ACADEMIC EXCELLENCE AWARD Applied Technologies and the Gudelsky Institute for Technical Education

MS. LAUREN LAMKEN

MS. LAUREN LAMKEN is graduating with an associate of applied science in automotive technology, earning a place on the Dean's List across multiple semesters.

A Holley EFI Certified technician, Lauren has spent four years at Bruno's Classic Muscle performing full vehicle restorations, custom wiring harnesses, engine replacements, and modern electronic fuel injection retrofits on classic cars. Her passion for the trade extends well beyond the shop—she founded Montgomery College's Automotive Club, and serves as club president, creating an inclusive space where students of all majors connect over a shared love of cars.

Lauren is equally committed to community empowerment, teaching peers and community members how to perform their own vehicle maintenance and repairs. Inspired by her grandfather's belief that education outlasts any material possession, she carries that philosophy into everything she does.

MR. TANNER BERHALTER

MR. TANNER BERHALTER is a skilled trades professional based in Northern Virginia with over a decade of hands-on experience in construction, equipment maintenance, and industrial operations.

He is currently completing his steamfitter apprenticeship with The Bowers Group, a mechanical contractor based in the Washington, D.C. metro area. He has honed expertise in welding, pipe fitting, and precision fabrication across multiple certifications, including stick welding, TIG welding in carbon steel, and TIG welding in stainless steel.

Throughout his career, Tanner has demonstrated a strong commitment to safety, quality, and teamwork in roles spanning roofing supervision, trench safety, utility labor, and equipment rental operations. Known for his reliability and leadership, he has successfully managed teams and collaborated with branch management to deliver results on time and within standards.

As he transitions into journeyman status, Tanner brings a well-rounded, field-tested foundation ready for the next chapter of his trades career.

OUTSTANDING RUNNER-UP MS. KATELYN WASHINGTON

MS. KATELYN WASHINGTON is graduating with an associate of arts in communications. A Dean's List honoree, Phi Theta Kappa member, and Renaissance Scholars participant, Katelyn pairs academic excellence with a remarkable record of service and creative leadership. She completed two levels of Montgomery College's competitive Digital Storytelling Internship—producing original digital work, mentoring emerging interns, and partnering with faculty on curriculum design.

Currently, she serves as a student researcher on a Princeton University-affiliated project, conducting interviews and receiving training in research ethics and methodology.

Her volunteer roots run deep: since 2015, she has served with Catherine's Family and Youth Services, including as an assistant director and creative writing instructor at the organization's summer camp, and has provided meals and essentials to families in need across the Baltimore and Washington, D.C., region.

Katelyn is a storyteller, mentor, and community builder in every sense.

OUTSTANDING RUNNER-UP
MS. DANH HONG PHUC NGUYEN

MS. DANH HONG PHUC NGUYEN is graduating with an associate of arts in information systems and a perfect 4.0 GPA, earning Dean's List honors every semester.

An Honors Program scholar, Phi Theta Kappa member, and recipient of both the Renaissance Scholars and STEM Scholars scholarships, Danh has pursued a rigorous curriculum spanning programming, systems analysis, statistics, and applied calculus—complemented by honors coursework in philosophy, global humanities, and communication.

Originally from Hanoi, Vietnam, she serves as a peer tutor in C++ at the Ackerman Learning Center and as a student assistant in the Office of Student Life.

Her research interests in artificial intelligence are informed by both technical expertise and ethical inquiry.

She embodies the belief that academic excellence is most meaningful when used to lift and empower the community around you.

2026 ACADEMIC EXCELLENCE AWARD HONOREES

BOARD OF TRUSTEES ACADEMIC EXCELLENCE AWARD Business and Hospitality Management OUTSTANDING RUNNER-UP MS. JESSICA BIRCH

MS. JESSICA BIRCH is graduating with an associate of arts in business, maintaining a remarkable 3.95 GPA while earning Dean's List honors across multiple semesters.

As a mother of three and an English-as-a-second-language learner, Jessica's academic journey reflects extraordinary determination and faith. Beginning with foundational language courses in 2020, she steadily built her academic confidence through coursework in accounting, economics, sociology, cybersecurity, and business statistics.

Throughout her studies, Jessica has demonstrated consistent leadership—facilitating teamwork in group projects, contributing to positive classroom environments, and volunteering at her children's school during field trips and educational activities. She credits motherhood itself as a source of her academic strength, with the organizational discipline and adaptability required at home directly fueling her success in the classroom.

Jessica aspires to use her business education to create meaningful opportunities for her family and community.

2026 ACADEMIC EXCELLENCE AWARD HONOREES

BOARD OF TRUSTEES APPRENTICESHIP ACADEMIC EXCELLENCE AWARD OUTSTANDING RUNNER-UP MS. ANITA SMITH

MS. ANITA SMITH is completing her fifth-year apprenticeship with Steamfitters Union Local 602 this May. She has mastered pipefitting, steam systems, HVAC installation, refrigeration fundamentals, and system diagnostics.

Upon graduation, she will make history as the oldest woman to complete any United Association apprenticeship and the first female to complete the service side of Local 602 in 15 years.

Anita's journey is one of extraordinary reinvention—she served a decade in the U.S. Army, including two Gulf War tours, before spending 26 years in restaurant management as a general manager and regional training manager. When the COVID economy forced that restaurant's closure, she embarked on a bold new chapter at age 51.

Now pursuing her Maryland Journeyman license, Anita actively mentors fellow apprentices and stands as a powerful symbol of what perseverance, courage, and lifelong learning can achieve at any age.

ACADEMIC TRADITIONS AND SYMBOLS

ACADEMIC REGALIA

The academic procession in modern university life embodies a relic of medievalism. The somber gowns and colorful hoods are not unlike those worn by scholars and churchmen perhaps as early as the 12th century. The garb in those times had an element of utility. The robes were warm; the hoods could be drawn up to protect against drafts in unheated buildings.

Traditionally, the hood's silken lining has been in the color of the wearer's university. The color of the bordering velvet indicates the special area of study. White velvet represents arts, letters, and humanities; dark blue, philosophy; light blue, education; purple, law; dark green, medicine; apricot, nursing; lilac, dentistry; olive, pharmacy; pink, music; orange, engineering; citron, social work. Tassels on the "mortarboards," or caps, of the candidates for degrees correspond in color to the velvet borders of the hoods.

Gowns representing the master's and doctor's degrees vary in style. The master's gown has long, narrow closed sleeves, which extend below the knees. The doctor's gown has full bell-shaped sleeves with three bars of velvet and a front opening faced with wide velvet bands in either black or the color indicating the area of study.

There is no general rule for the position of the tassel on a mortarboard. However, it has become customary for candidates for degrees to wear the tassels on the right side before the degrees are conferred and to shift them to the left at the moment the degrees are awarded to them.

MONTGOMERY COLLEGE MACE

The mace is the official symbol of the College's power and authority. The Montgomery College Full-Time Faculty of the Year Award winner earns the honor of bearer of the mace. Mr. Karl T. Smith, professor of history and political science, will carry the mace in this year's commencement processions.

The fluted mahogany staff is adorned with antique silver-colored rings with engravings honoring past Montgomery College presidents. The base of the 42½-inch mace is fitted with antique silver to match the rings. The mace is capped by two black marble disks encasing antique silver panels that form an octagon. The panels are engraved with the names of the Montgomery College campuses. The finial is composed of a 3½-inch antique silver-plated medallion embossed with the College's seal, which is mounted on a diagonal mahogany surround.

The previous mace was designed by George Hatzenbuhler, an art student on the Rockville Campus in 1976. The original Montgomery College mace was designed and executed by professors emerita M. Gloria Monteiro and the late Dr. LaVerne W. Miller in commemoration of the 25th anniversary of the College.
